Subject: Surety Release BLM Statewide Bond, Penney's Gemstones, LLC, S/027/0096, Fantasy Land Jasper, Millard County, Utah

Dear Mr. Penney:

The Division accepts *full* release of the \$2,600 surety being held under a BLM Statewide Bond for the Fantasy Land Jasper Small Mine project. The Division has found the reclamation to be adequate. No remaining surety is going to be kept for this project.

You are hereby released by the Division from further reclamation responsibilities at this site. If you wish to conduct any future mining or exploration related activity in this area, you will need to submit a new Notice to the Division and provide reclamation surety prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at 801-538-5261 or Tom Munson at 801-538-5321. Thank you for your time and consideration in completing the required reclamation on this project.

Sincerely,

Paul B. Baker  
Minerals Program Manager
